

TEACHING EXAMPLES

FATHER:MAN :: MOTHER: _____

- a. sister
- b. brother
- c. wife
- d. woman

1. What is the relationship between Father and Man?

(The Father is a man)

2. Which word is related to Mother *in the same way* as Father is related to Man?

** Try each of the choices given to see if it fits and sounds correct.

IS SISTER TO A MOTHER THE SAME AS FATHER TO A MAN?

IS BROTHER TO A MOTHER THE SAME AS FATHER TO A MAN?

IS WIFE TO A MOTHER THE SAME AS FATHER TO A MAN?

IS WOMAN TO A MOTHER THE SAME AS FATHER TO A MAN?

Answer " d " is correct because woman to a mother is the same relationship as father is to man.

STRAW: DRINK :: SPOON: _____

- a. fork
- b. eat
- c. cup

The relationship between straw and drink is that a straw is used to drink with. A spoon is used to eat with. Therefore " c " would make this analogy correct.

FINGER: HAND :: TOE : _____

- a. foot
- b. leg
- c. arm

The relationship between finger and hand is that it is directly connected to that part. The leg is part of the lower appendages but is not directly connected. The arm is part of the upper appendages. Therefore " a " is the correct answer because the toes are directly connected to the foot the same as the finger is directly connected to the hand.
